

grant, permit, easement, or non-mineral lease by a third party who is not a party to the exchange, the third party holder of such authorization and the non-Federal party to the exchange may reach agreement as to the disposition of the existing use(s) authorized under the terms of the grant, permit, easement, or lease. The non-Federal exchange party shall submit documented proof of such agreement prior to issuance of a decision to approve the land exchange, as instructed by the authorized officer. If an agreement cannot be reached, the authorized officer shall consider other alternatives to accommodate the authorized use or shall determine whether the public interest will be best served by terminating such use in accordance with the terms and provisions of the instrument authorizing the use.

§ 2201.9 Case closing.

(a) *Title transfers.* Unless otherwise agreed, and notwithstanding the decision in *United States v. Schurz*, 102 U.S. 378 (1880), or any other law or ruling to the contrary, title to both the non-Federal and Federal lands simultaneously shall pass and be deemed accepted by the United States and the non-Federal landowner, respectively, when the documents of conveyance are recorded in the county clerk's or other local recorder's office. Before recordation, all instructions, requirements, and conditions set forth by the United States and the non-Federal landowner shall be met. The requirements and conditions necessary for recordation at a minimum will include the following, as appropriate:

(1) The determination by the authorized officer that the United States will receive possession, acceptable to it, of such lands; and

(2) The issuance of title evidence as of the date and time of recordation, which conforms to the instructions and requirements of the Office of the Solicitor's preliminary title opinion.

(b) *Automatic segregation of lands.* Subject to valid existing rights, non-Federal lands acquired through exchange by the United States automatically shall be segregated from appropriation under the public land laws and mineral laws until midnight of the 90th

day after acceptance of title by the United States, and the public land records shall be noted accordingly. Except to the extent otherwise provided by law, the lands shall be open to the operation of the public land laws and mineral laws at midnight 90 days after the day title was accepted unless otherwise segregated pursuant to part 2300 of this title.

(c) *Notice to State and local governments.* Following the transfer of title to the Federal lands involved in an exchange, notice will be given to State and local officials as prescribed in § 2200.0–6(m) of this part.

Subpart 2202—Exchanges: National Forest Exchange

§ 2202.1 Applicable regulations.

(a) All proposals for exchange for the consolidation or extension of national forests, under the authority and provisions of the Act of March 20, 1922 (42 Stat. 465), as amended (16 U.S.C. 485) and the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701 *et seq.*) shall be filed with the appropriate officer of the Forest Service, U.S. Department of Agriculture, in compliance with the regulations in 36 CFR part 254.

(b) If a proposal is made to exchange lands reserved from the public domain for National Forest System purposes, the authorized officer may request the appropriate State Office of the Bureau of Land Management to segregate the Federal lands by a notation on the public land records. Subject to valid existing rights, the record notation shall segregate the Federal lands from appropriation under the public land laws and the mineral laws as defined under § 2200.0–5 of this title for a period not to exceed 5 years from the date of notation.

(c) Any interests of the United States in the non-Federal lands that are covered by the exchange proposal may be noted and segregated from appropriation under the mineral laws for a period not to exceed 5 years from the date of notation.

(d) The segregative effect shall terminate upon the occurrence of any of the following events, whichever occurs first:

Bureau of Land Management, Interior

§ 2203.3

(1) Automatically, upon issuance of a patent or other document of conveyance to the affected lands;

(2) On the date and time specified in an opening order, published by the appropriate State Office of the Bureau of Land Management in the FEDERAL REGISTER, if a decision is made not to proceed with the exchange or upon deletion of any lands from an exchange proposal; or

(3) Automatically, at the end of the segregation period not to exceed 5 years from the date of notation of the public land records.

Subpart 2203—Exchanges Involving Fee Federal Coal Deposits

SOURCE: 51 FR 12612, Apr. 14, 1986, unless otherwise noted.

§ 2203.0-6 Policy.

When determining whether a fee exchange of the Federal coal deposits is in the public interest, it is the policy of the Department of the Interior to consider whether the exchange will create or maintain a situation inconsistent with the Federal anti-trust laws. The Bureau of Land Management, in making the determination of public interest, shall consider the advice of the Attorney General of the United States concerning whether the exchange will create or maintain a situation inconsistent with the Federal antitrust laws.

§ 2203.0-9 Cross references.

The authorized officer shall implement a fee exchange of Federal coal deposits in compliance with the requirements of subparts 2200 and 2201 on this title.

§ 2203.1 Opportunity for public comment and public meeting on exchange proposal.

Upon acceptance of a proposal for a fee exchange of Federal coal deposits, the authorized officer shall publish and distribute a notice of exchange proposal as set forth in § 2201.2 of this title.

[51 FR 12612, Apr. 1986, as amended at 58 FR 60926, Nov. 18, 1993]

§ 2203.2 Submission of information concerning proposed exchange.

(a) Any person submitting a proposal for a fee exchange of Federal coal deposits shall submit information concerning the coal reserves presently held in each geographic area involved in the exchange along with a description of the reserves that would be added or eliminated by the proposed exchange. In addition, the person filing a proposed exchange under this section shall furnish any additional information requested by the authorized officer in connection with the consideration of the antitrust consequences of the proposed exchange.

(b) The authorized officer shall transmit a copy of the information required by paragraph (a) of this section to the Attorney General upon its receipt.

(c) All non-proprietary information submitted under paragraph (a) of this section shall be made a part of the public record on each proposed exchange. With respect to proprietary information submitted under paragraph (a) of this section, only a description of the type of information submitted shall be included in the public record.

(d) Where the entity proposing a fee coal exchange has previously submitted information, a reference to the date of submission and to the serial number of the record in which it is filed, together with a statement of any and all changes in holdings since the date of the previous submission, shall be accepted.

[51 FR 12612, Apr. 14, 1986, as amended 58 FR 60926, Nov. 18, 1993]

§ 2203.3 Public meeting.

Upon completion of an environmental analysis, but prior to the issuance of a notice of decision, the authorized officer shall publish a notice in the FEDERAL REGISTER setting a time and place where a public meeting will be held to receive public comment on the public interest factors of the proposed exchange. Such notice shall be distributed in accordance with § 2201.7-1 of this title. The public meeting shall:

(a) Follow procedures established by the authorized officer, which shall be announced prior to the meeting; and
